

Hawaii Seasonal Home Maintenance Checklist

Powered by RivoHome

Included States: HI

We're here to help homeowners simplify their lives through smart reminders, proactive care, and access to trusted service professionals. This guide gives you a seasonal overview of routine tasks every homeowner should consider.

Why Home Maintenance Matters

Regular maintenance can prevent costly repairs, extend the life of your systems and appliances, and keep your home safe and comfortable. RivoHome helps you stay on track with automated reminders and vetted service professionals.

Spring

- Check for mold/mildew after rainy season
- Service dehumidifiers and ventilation systems
- Inspect for wood rot and termites
- Clean roof and gutters of plant debris

Summer

- Trim vegetation to prevent overgrowth and pests
- Check hurricane preparedness supplies
- Inspect A/C and fans
- Check solar panel performance

Fall

- Secure outdoor furniture and roofing ahead of storm season
- Treat for invasive pests (e.g., ants, termites)
- Seal windows/doors for wind and rain
- Test sump pump or drainage around home

Winter

- Monitor humidity levels indoors
- Clean gutters after winter rains
- Inspect roof for leaks
- Check for corrosion on outdoor plumbing or fixtures

Bonus Tips

- Create a digital inventory of major appliances
- Keep receipts and manuals for home systems in one place
- Store emergency contacts and utility shut-off locations

How RivoHome Helps

With RivoHome, you can set custom maintenance reminders, book trusted service providers, store important documents, and access curated how-to content to make home care less stressful.
