

Pacific Northwest Seasonal Home Maintenance Checklist

Powered by RivoHome

Included States: WA, OR, ID

We're here to help homeowners simplify their lives through smart reminders, proactive care, and access to trusted service professionals. This guide gives you a seasonal overview of routine tasks every homeowner should consider.

Why Home Maintenance Matters

Regular maintenance can prevent costly repairs, extend the life of your systems and appliances, and keep your home safe and comfortable. RivoHome helps you stay on track with automated reminders and vetted service professionals.

Spring

- Remove moss from roof and sidewalks
- Inspect for leaks from heavy rainfall
- Clear clogged gutters and drains
- Test HVAC system

Summer

- Seal exterior wood from moisture
- Inspect for pests and mold
- Clean siding and windows
- Check lawn drainage

Fall

- Prepare sump pump for heavy rain
- Clean leaves from all gutters
- Check roof for storm readiness
- Insulate crawl spaces

Winter

- Monitor for interior mold
- Insulate pipes and walls
- Check emergency supplies
- Trim trees to prevent storm damage

Bonus Tips

- Create a digital inventory of major appliances
- Keep receipts and manuals for home systems in one place
- Store emergency contacts and utility shut-off locations

How RivoHome Helps

With RivoHome, you can set custom maintenance reminders, book trusted service providers, store important documents, and access curated how-to content to make home care less stressful.
